Comments

For fittings of medical contact lenses (HydroCone, HydroMed, Prosthetic...) we need more informations. Please contact our customer care. +41 21 620 06 66

For reorders, please use our online tool. www.swisslens.ch

Your SwissLens support

virtual lens fitting (vlf)

SwissLens offer an online order assistant (vlf). There you can add all your patients data and it will recommend the first trial lens.

Virtual fluor images can be shown for RGP contact lens fittings.

Material selection by SwissLens

Dry eyes

Deposit resitant

Breakage resitant

High oxygen permeability

Extended wearing time

Low dehydration

High compatibility and comfort

Silicon hydrogel
